Plaintiff St. Luke's Health System, LTD, by and through its attorney of record, hereby requests Defendant Freedom Man Press LLC answer all interrogatories and produce all documents for inspection and/or copying in accordance with the Instructions and Definitions set

forth below within thirty (30) days from the date of service hereof, unless otherwise instructed by Court order or by the parties' mutual agreement.

I. INSTRUCTIONS REGARDING INTERROGATORIES

Pursuant to Rule 33 of the Idaho Rules of Civil Procedure, you are requested, within thirty (30) days of the date this document was served upon you, to answer or respond to these interrogatories. They are to be answered fully and separately in writing, under oath. Your answers must include not only information in your personal knowledge and possession, but also any and all information available to you, including information in the possession of any of your agents or attorneys. If a claim of privilege is made as to any such information, you must specify the basis for the claim of privilege and describe the information claimed to be privileged.

II. INSTRUCTIONS REGARDING REQUESTS FOR PRODUCTION

Pursuant to Rule 34 of the Idaho Rules of Civil Procedure, you are requested, within thirty (30) days of the date this document was served upon you, to present for inspection and copying the documents and things requested below at the offices of Holland & Hart LLP, 800 W. Main St., Suite 1750, Boise, Idaho 83702. As an alternative to producing documents for inspection and copying, accurate, legible, and complete copies of requested documents may be attached to your answers and responses to these discovery requests and served within the same time period. Your response must include not only documents and items in your personal possession, but also any and all documents and items available to you, including those in the possession of any of your agents or attorneys. If a claim of privilege is made as to any such information, you must specify the basis for the claim of privilege and describe the information claimed to be privileged.

Please clearly identify the request for production to which each document or group of documents you provide is responsive.

These requests for production call for non-identical copies of documents, and a document with handwritten notes, editing marks, etc., is not identical to one without such modifications, additions, or deletions.

III. GENERAL INSTRUCTIONS

If any document requested to be identified in the following interrogatories or asked to be produced in the requests for production was but no longer is in your possession or subject to your control, or in existence, state whether it is (1) missing or lost, (2) has been destroyed, (3) has been transferred, voluntarily or involuntarily, to others, or (4) otherwise disposed of; and in each instance, please explain the circumstances surrounding the authorization of such disposition thereof, and state the date or approximate date thereof.

Your answers must be based not only on documents in your personal possession, but also on any documents available to you, including documents in the possession of your agents, attorneys, or accountants. No document requested to be identified or produced herein can be destroyed or disposed of by virtue of a record retention program or for any other reason.

With respect to each document as herein defined which is required to be identified by these interrogatories or produced in the requests for production and which you presently contend you are not required to disclose because of any alleged “privilege” (which you are not presently prepared to waive), in lieu of the document identification called for above, please identify each such “privileged” document as follows in a “privilege log”: (1) give the date of each such document; (2) identify each individual who was present when it was prepared; (3) identify each individual to whom a copy was sent; (4) identify each individual who has seen it; (5) identify

each individual who has custody of it; (6) identify each and every document which refers to, discusses, analyzes, or comments upon it, in whole or in part, or which contains any or all of its contents; (7) the format of each document (including but not limited to letter, memorandum, computer database, etc.); and (8) state the nature of the privilege(s) asserted (including but not limited to attorney-client, work-product, etc.).

The requests for production and interrogatories set forth below are intended to be continuing in nature and require the addition of supplemental information and documents in the future to the fullest extent provided by law. If, after responding to a request for production or interrogatory, you acquire any additional responsive documents or information, you are requested to serve supplemental responses containing such information.
