Case No. CV01-22-06789

Scheduling Order for Plaintiffs' Motion for  
Extension of Time to Disclose Expert  
Witnesses

The Plaintiffs and Diego Rodriguez filed a Stipulation for Scheduling and Planning stipulating to expert disclosure deadlines including a deadline of 150 days before trial for the Plaintiffs' expert witness disclosures (February 10, 2023) and 120 days before trial for the Defendants' expert witness disclosures (March 12, 2023). Trial is set for July 10, 2023.

On January 30, 2023, Plaintiffs filed a Motion for Extension of Time to Disclose Expert Witnesses with supporting memorandum, declaration from counsel, and proposed order, that requests the Court extend all the expert disclosure deadlines. Plaintiffs did not request oral argument on the motion so there is not notice of hearing.

Therefore, the Court finds it is appropriate to enter a scheduling order on the motion since the disclosure deadline is fast approaching.

The Court orders the following deadlines:

Any party requesting a hearing must contact the Court clerk by **12:00 p.m. on February 3, 2023** to obtain a hearing date and then notice the matter for hearing.

Defendant Rodriguez must file any opposition to the motion for extension by **February 7, 2023**.

If no opposition or notice of hearing is timely filed, then the Court will sign the proposed Order that was filed with the motion.

So **ORDERED**.
