D30	5/27/2023	This time last year, Diego and I celebrated CPS' reluctant return of Diego's grandson Cyrus. However, since then we have been hunted like the early day reformers and are now both fugitives of the law. All because we would not stay silent about the wrongful taking of baby Cyrus. We are now in a new stage of deterioration in the legal process where our children can be taken and if we don't shut up about it powerful institutions will use the force of law to punish us.	https://www.facebook.com/realammonbundy	10/16/2023	J
